

### SUMMER FUN HEATS UP AT NABBY!

#### MEET OUR MUSIC STAFF

If you're ever walking by the music stage at Nabby and hear the most incredible voices singing opera, it's not a CD as most newcomers would think! This very talented trio bring music, dance and much joy to Camp Nabby! Their efforts will be on full display at our annual junior camp end of summer show. This is always a crowd pleaser and the campers have so much fun putting it all together!

Head music counselor Lee Compton, hails from North Carolina, where he received a master's degree in voice from the University of North Carolina School of the Arts. Lee moved to New York and has performed with New York City Opera, American Symphony Orchestra, New York Philharmonic.

Lee currently teaches band and general music at Greenwood Lake Middle School.

Jillian Agona is a sophomore at Boston University where she studies classical vocal performance in the School of Music. Previously a camper at Camp Nabby, she is delighted to be returning this summer to work on the music staff. Some of her hobbies include annoying everyone around her with opera, reading/writing, shopping, eating, and procrastinating. She also loves the rain, superhero movies, and stealing her sister's clothing. She dearly misses musical theater and will gladly talk to anyone about Hamilton, Dear Evan Hansen, or any other musical besides Cats.

Ava Foster is going to be a senior in high school and is the oldest of three siblings with whom she loves spending time! She has recently been going on many college tours with her mom for the past few months, and has eaten countless Insomnia Cookies! Her main hobby has always been musical theater, and she loves to sing, dance, and act. She also enjoys reading, playing volleyball and doing charity work at her school. A fun fact about her is that she's met Hillary and Bill Clinton many times (they both live in her town).

#### NABBY'S COUNSELOR LIP SYNC CONTEST BEGINS!!!

The first round of Nabby's Annual Lip Sync Contest began with taco costumes and a bunch of multi-colored wigs! First up in the weekly summer long event were Gianna from Cubs and Sophia from Smith. Their energetic lip sync and dance to "It's Raining Tacos" had the campers singing and clapping along. Most junior campers remembered the song from last year's music classes - one of their favorites!

They were followed by Alec from the Challenge Course and his lovely back up singers, Scott from Brown, Elias and Dylan from Princeton, and Darren, Stephen and Henry from Challenge. They rocked the stage with "Who Runs the World (girls)", by Beyoncé. I think if Queen B had seen this incredible cover of her song, Darren might have a new gig next year as a back up dancer.

The campers then voted on their favorite act and Gianna and Sophia will move on to the next round. We can't wait to see what's in store for the campers next week!

## COLOR WAR CONTINUES...

Week 2 of Sr. Camp Color War was the ever popular Capture the Flag! Despite a high scoring MVP effort from the White team's 3-legged girls, they couldn't overcome the speed of the Red team's individual runners. The final score of the event was one of the closest ever as the Red team edged out the White team 1155 to 1055. After two weeks, the running total is now Red team with 2,355 and White team with 1,355.

This was also the first time Nabby used drone technology to film a Color War event!

### RED TEAM

2355 pts

### WHITE TEAM

1355 pts

## MEET OUR PHOTOGRAPHERS!

Lauren Neff is happy to be back at Nabby after a 5 year hiatus. Lauren attended Nabby every year from Cubs all the way to Jackson- 10 years of Nabby! She just graduated Horace Greeley High School, and will be attending Washington University in St. Louis in the fall as a Marketing and History double major. Lauren spent her time in high school helping lead the Varsity Field Hockey team to the Section finals, leading her A Cappella group, the 'Enchords', performing in Greeley's Senior Musical as a nun with a gambling addiction, and of course... taking pictures! Fun fact about Lauren: she used to collect Rubber Duckies, hence her Nabby nickname, Duckie!

Kelly Vasami lives in Eastchester with her children, Jake and Ally (who are first year campers in Penn and Bates), and their little dog, an old Boston Terrier named Ruthie. Kelly grew up in Maryland and graduated from Frostburg State University with a Bachelor of Fine Arts degree. She has been a wedding and family portrait photographer for 12 years, and is excited to be capturing all of the happy smiling faces at Camp Nabby this summer!

In her free time, Kelly enjoys driving her convertible, trying new restaurants, and practicing vinyasa yoga.
