

### ERIC THE MAGICIAN AND SUPER HEROES VISIT CAMP NABBY!

#### CALLING ALL DADS...

Ok Dads...get your throwing arms and your dodging feet ready to rumble! Next Tuesday night at 7PM, Camp Nabby will have its annual Daddy Dodgeball Night!!!

We have so many dads wanting to come to camp and be a kid again, so here's your chance. Dodgeball is one of Nabby's most popular activities and the Nabby Dads will get to enjoy it under the covered basketball court...so, rain or shine, it's on!!!

Please note...Monday thru Friday from 9 to 4, it's "all about the kids". However, for Daddy Dodgeball, it's all about the DADS! We will have very limited supervision, so if you bring your children, please make sure they will either watch the game or be supervised.

Hope to see you there!!!

#### LIP SYNC CONTEST CONTINUES

This week, two lip sync contests were decided in our morning assemblies. First up was David from swim going against Cyan and Kiera from Radcliffe. David performed "Boyfriend" by Justin Bieber and not only had the dance moves, but also knew the song word for word. Who knew David was a "Belieber"? Hmm...

Cyan and Kiera lip synced to "We're All in This Together" from High School Musical and their backup group consisted of all the Radcliffe girls! They were definitely a crowd pleaser, but the winner of this round by audience applause was David.

The next competitors were Jamie from swim challenging Maureen and Jordyn from Jackson. Jamie focused in on the viral video of "the yodeling kid" (to whom he bore an uncanny resemblance!) and performed a first at Nabby - a lip sync yodel! The Jackson counselors however, had a double advantage as they channeled both Hannah Montana AND Miley Cyrus in an upbeat performance of "The Best of Both Worlds". The Jackson girls cheered their counselors on to a win as their "fan club", complete with signs!

#### THE EXTREME MAGIC OF ERIC WOWS THE NABBY CAMPERS

This past Tuesday, the Extreme Magic of Eric visited Camp Nabby. Always a hit with the campers, Eric (who, as a teenager, appeared on America's Got Talent), once again had the kids scratching their heads asking, "How'd he do that?".

Using camper and counselor volunteers in his act, he both mystified and entertained everyone. The rains were heavy during the show, but fortunately Nabby's stage is one of the many covered areas on campus!

## SUMMER FUN IN THE ART SHACK

Nabby's Art Shack is a fun and colorful place to spend some creative camp time. Under the leadership of head counselor Haley and her assistants Samantha, Thomas and Avery, some terrific artistic treasures will surely find their way home to a special spot on your bookshelf!

The junior campers will be working on mosaics, printmaking, fire-work shirts, paper collages and beaded flags, to name a few. Later this summer, there will also be a project in plaster. The senior campers will be creating plant stool mosaics, tie dye shirts and beautiful, colorful zentangle landscapes in their interest periods.

All the campers also look forward to lanyard Fridays! Haley and one of her assistants hand out lanyard materials before morning announcements each Friday...by the end of the summer, your child's backpack will be adorned with multiple keychains!

Awards were handed out by the Art Shack judges for the groups with outstanding effort during Spirit Week. And your winners are:

Best Plaque Winner...SMITH

Best Banner Winner..VASSAR

Best Overall Winner (Plaque, Banner and Cheer)..COLUMBIA

## COLOR WAR TIGHTENS UP AFTER PREDATOR AND PREY

The White team was able to close the gap on the Red team's lead after this week's Epic Wednesday Event - Predator and Prey. Groups of senior campers were divided into insects, frogs and snakes in this elaborate game of tag. The game starts with one Hawk, who, this year, was first year counselor Maggie McCarthy from Barnard. The Hawk's goal is to capture as many creatures as possible below it in the food chain. While there are food and rest stations that temporarily protect the insects, frogs and snakes from the Hawk and each other, the campers expend a lot of energy running all over campus both for safety and in pursuit of lesser food chain animals.

Our Hawk Maggie, who is a Lakeland high school runner in both the 400 and 800 and also a member of their All American Cross Country team summed it all up by saying, "This was harder than any track meet I've ever been in!". At the end of the Event, the White Insect team led by Stefan of Tulane had the biggest point total. The final score was a super close 195 for the White team and 190 for the Red team. White also received 500 additional points for the win.

So far, the Color War stands at 3,645 for Red and 2,950 for White.

### RED TEAM

3655 pts

### WHITE TEAM

2950 pts

## CAMPER IN THE NEWS

Lulu Hayes (Barnard) has made quite a name for herself in the field of gymnastics! Lulu has been dedicated to the sport since she was 4 years old and recently qualified for the USAIGC State competition where she came she came in 1st in the floor exercise and earned the title of the NYS Floor Champion! Her All Around score then qualified her for the USAIGC World Championships. There were over 40 gyms and 1000 girls from all over the world at this meet in Orlando, Florida.

Lulu came in 4th place on floor, with a score of 9.350, 9th on balance beam and 19th over all! Practicing 4-5 days per week has really paid off for Lulu and Camp Nabby salutes her and all she's accomplished this season!
