

### EVEN THE RAIN CAN'T DAMPEN NABBY SPIRIT!!!

#### LIP SYNC BATTLE ROUND #4...

The campers were treated to another counselor lip sync battle last Monday morning. Samantha from Radcliffe started off with Katy Perry's "Firework", only to be interrupted by Kayla from Wells who brought the Drake viral video challenge song, "In My Feelings" on stage! The two counselors then added some dance moves to their routine and had the crowd cheering.

Next up was Niko from Dartmouth who performed "Hand Clap" by Fitz and the Tantrums. Probably the deciding factor in this close battle was the split leap off the stage done by Niko! The WOW factor was too much for the girls to overcome and Niko will go on to the next round.

#### JESTER JIM ENTERTAINS THE CAMPERS!

Jester Jim visited camp this week and had the campers "ooing", "aahing", making strange sounds for his background music and best of all...laughing! He juggled an assortment of objects - sticks, balls, pins, and of course, the ever popular plungers.

#### WACKY SNACKY WEDNESDAYS

Camp Nabby's Domestic Goddesses...Gemma, Maria, Sue, Susan and Theresa are some of the most well liked people in camp. In addition to handing out healthy snacks every day, preparing cookout twice a week, and helping campers who've forgotten their lunch, they love to present their Wacky Snacky Wednesday offerings each week. From banana porpoises in a sea of blueberries to apples with a juicy worm, these snacks are always eagerly anticipated!!!

## COLOR WAR, WEEK 5

Wednesday's Epic Event for Sr. Camp Color War was the Great Chase Race. The campers were divided into 3 white teams and 3 red teams and had to perform a series of tasks as quickly as possible. The events included brain game puzzles, knowledge of geography, Fortnite dance moves, athletic events and even a watermelon rind design contest! At the same time, various objects (rubber chickens and duckies and plush Angry Birds), were hidden around campus that, when collected, were worth valuable points. The winning team was White #3 (Douglass, Tulane, Radcliffe and Duke) led by Griffin and Kiera with 351 points. The second place team, Red #1 (Penn and Barnard), led by Mitch and Samantha garnered 328 points. After all the points were totaled, the 3 White teams eked out a teensy tiny 826 to 824 victory! The win gave the White team 500 points, which brings the Color War totals to 3,645 for the Red team and 3,450 for the White team. This super close competition will be decided in week #8 in the two day Color War finale!!! Stay tuned...

### RED TEAM

3645 pts

### WHITE TEAM

## DADDY DODGEBALL DOESN'T DISAPPOINT!

Nabby's annual Daddy Dodgeball night was fun for both the Dads that played and their families who cheered them on! The Dads certainly found out why dodgeball is such a popular sport here at Nabby! At drop off the next morning, however, the Dads who played did admit to being just a little sore!

## AERIAL ADVENTURE - FUN ABOVE GROUND!

This year's Aerial Adventure crew, Erin (head counselor), Emma, Alec, Glenn, Stephen, Darren and Henry, has many options to offer the campers. From the climbing tree, the zip line, the aerial tree house and, for senior campers, our new high ropes course, Nabby groups are "high" on Aerial Adventure! Campers especially love the trophy they receive after reaching the top of the rock wall for the first time!

## RAINY DAYS? NABBY'S GOT YOU COVERED!!!

The Nabby "bubble" is usually pretty good at keeping the rain away from camp when it seems to rain all around us! Fortunately, when we do have wet days, Nabby boasts 13 covered areas (in addition to all the bunks!) where our campers can go and still have a fun filled day!
