

## RED TEAM WINS APACHE RELAY!!!

### STEVE MAX, THE MASTER OF SIMON SEZ!!!

Steve Max came to entertain our campers for the 24th year in a row and, once again, proved to not only be the absolute master of Simon Sez but also incredibly hilarious! Both campers and counselors laughed for an hour as he captivated them with his quick wit and crazy antics.

The boys won the "timed sing off" with Liam from Yale being raised up as the captain of the victorious boys team.

### NABBY LIP SYNC

The first semi-final round of the Nabby Counselor Lip Sync Contest was held this week and turned out to be the closest vote ever!

Samantha from Barnard was the first contestant and sang to an all time crowd favorite, "Sweet Caroline". Of course everyone knew the chorus and sung along to it as Sam high fived the campers in the audience. The kids even added the "so good, so good" part.

Next up was a definite change of pace as Tyhier from Tulane was joined on stage by two campers in their Patrick Star and Squidward Tentacles costumes to lip sync to "The Campfire Song" from Sponge Bob Squarepants. Ty also added an interesting Sponge Bob dance move to his rendition of the song which was the probably the deciding factor in the close vote going his way. So Ty will move on to the finals that will be held the last week of camp.

## TWO POOL RECORDS BROKEN!

Two pool records were broken in the Nabby swim meet held this week. Caitlin Johns broke the record for the 13 year old girls freestyle with a time of 18.9 seconds, beating the old record of 20.40.

In the boy's events, Austin Lanera smashed the 9 year boys freestyle record with a 20.5, eclipsing the old record of 22.91 that was just set last week! Remember that our beautiful Nabby pool is 90 feet long (15 feet longer than most swim meet pools), so these two campers did a remarkable job!

## DEFINITELY SOME WACKY SOCKS!

Wacky Socks Day was especially fun for Jason Polcari and AJ & James Tomasulo. If you look closely at their socks you might find a familiar face!

## NABBY'S CARETAKERS

When visitors first arrive at Nabby and walk through the gates, they always say how beautiful the grounds are kept!

Fernando (pictured below) and Guillermo have been Nabby fixtures for over 15 years and work year long both outdoors and indoors to help make Nabby as beautiful and clean as possible.

Kudos to our top notch maintenance duo!

## 10 AND 5 YEAR CAMPERS!

Meet ten year camper Korey DeBeer! Korey was out the week the 10 year campers were announced.

Nabby salutes the five year campers who were absent from the Spirit Week presentation with the coveted "Nabby 5" jersey!

# RED TEAM VICTORIOUS IN APACHE RELAY!!!

The highly anticipated Sr. Camp Apache Relay almost didn't take place on Wednesday due to the possibility of rain, but the "Nabby Bubble" prevailed and the rains held off and IT WAS ON!!!

The introduction of the team captains and their intricate handshakes and chest bumps started off the most exciting event of the Nabby summer.

The Captains and the team runner who carried the baton ran from one end of the campus to the other as team members were stationed in archery, tennis, 2 pools, ping pong, music, soccer, basketball, horseshoes, baseball, hockey, tetherball, volleyball and arts and crafts ready to do their part in the relay. The Blue team was in the lead and the first team to enter the fire making and final stage of the relay, but the Red team was able to get their fire high enough to burn the rope first! The Green team was second and the "instant replay" showed a tie for third between the Blue and White teams.

While the Apache Relay is a Sr. Camp event, the entire camp surrounded the fire making area and cheered on their favorite team. Probably the most excited junior campers watching were those going into third grade - next year they'll be senior campers and part of this awesome event!

The victorious Red team celebrates their win by raising the Apache Relay trophy

White team Captains Sam from Duke and Maureen from Jackson with runner Alexa Robinson

Red team Captains Sam from Barnard and Nick from Penn with runner Korey DeBeer

Green team Captains Cyan from Radcliffe and Mike from Penn with runner Lucy Mager

Blue team Captains Dylan from Columbia and Kiera from Douglass with runner Owen Strom

Red team Captain Nick Maddelena says this victory was "the greatest day" as his name will go next to his brother Justin's name on the Apache Relay trophy. Just to keep the brotherly rivalry alive, however, Justin's time in 2018 was 21.96 minutes compared to Nick's 2019 time of 23.37 minutes!
