HOLLYROCK GAME SHOW RETURNS TO NABBY!

To all parents who want to come to camp (you know ALL of you do!), here's your opportunity! On Wednesday, July 12th at 6PM, Camp Nabby presents the exciting and popular Hollyrock Games - Parents edition! Always one of the most looked forward to event at camp, the Hollyrock Game Show tests your trivia knowledge and physical skills as well as your ability to laugh at yourself. The family evening session is even more fun as the campers get to see their parents on stage like they've never seen them before. Be sure to mark your calendar for this fun filled evening. A light snack will be served.

2017 LIP SYNC BATTLE BEGINS!

Each year Camp Nabby showcases the hidden, little known talents of our counselors in our annual Lip Sync Battle. If this year's performances are anywhere near the quality and surprise factor of the past years, the campers are in for a fantastic competition. Starting off in the first round of this year's battle was Kayla Kalbfell of Jackson going against Larry Waterhouse of Harvard. Kayla rocked out to "24K Magic" by Bruno Mars and Larry kept July 4th going with his version of "Firework" by Katy Perry. The camper vote was extremely close and Larry was voted through to the second round. The competition will run all summer and the Nabby News will be there to cover all the hilarity that will ensue!

WACKY NABBY ALBUM

Last Friday was our first photo day at camp. Each year, Irvin Simon Photographers come to camp and we send home beautiful individual portraits along with a group photo for each camper. However, this year, we thought it might be fun to see your campers hamming it up for the Nabby News photographers! So enjoy these group pictures of your children and their counselors in our "Wacky Nabby" album.

COLOR WAR CONTINUES!

Nabby's second Epic Wednesday Color War event, Capture the Flag, took place this week. Always a camp favorite, the red and white senior camp teams put forward their fastest runners, their most agile three legged teams and their best "flag" guardians in this fast paced game. As time ran down in the closest Capture the Flag event in camp history, Shannon Appelle and Jamie Pollak scored the winning points for the victorious white team who rallied for a come behind 1045 to 1020 victory over the red team.

After two Color War contests, the red team maintains a 2,270 to 1,595 lead over the white team.

RED TEAM 2,270 points

WHITE TEAM 1,595 points

THE RETURN OF WACKY SNACKY WEDNESDAYS!

Camp Nabby always provides healthy snacks for all of our campers every day.

But, by popular demand, our kitchen crew will once again prepare healthy AND fun themed snacks for all the groups on Wednesdays. Gemma, Maria, Sue and Teresa started out this year's offerings with a soft pretzel "caterpillar" complete with antennae. Creepy crawlers maybe...but these critters were a huge hit with the campers!

So, what's coming next week? If we told you, it wouldn't be a surprise!!!

GOOD SPORT OF THE WEEK - LEE COMPTON!

Most of our parents know the many of talents of our Music Director, Lee Compton, including the number of instruments he plays (piano, mandolin, guitar, trumpet), the incredible Jr. Camp Show he directs, and his singing voice (he performed in a Carnegie Hall benefit production of "Carousel", starring Hugh Jackman!). But, for our Red, White and Blue Day, Lee went the extra mile. First, he participated in the M & M/whipped cream morning challenge, goatee and all, and then led most of the younger Jr. Camp groups around camp playing patriotic songs on the trumpet while accompanied by these eager, enthusiastic campers! Kudos go out to Lee for making Camp Nabby Fourth of July memories!!!
