

PARENTS VISITING WEEK!

PARENTS VISITING WEEK

Monday thru Friday, July 17th - 21st, is Parents Visiting Week at Camp Nabby. Parents are asked to chose ONE morning for their family's visit between 9:30 AM and Noon. Because parking is limited in the front of the camp, parents are encouraged to park in one of our two back parking lots (take a right at the fork).

If you chose to park in the front of the camp, please be considerate of our neighbors and do not block their driveways or mailboxes. Cars must park on the RIGHT side of the road only. Yorktown Police will ticket parked cars on the left (Tamarac is a two way street).

Dress comfortably and enjoy your visit!

GOOD MORNING CAMPERS!!!

After Joe welcomes the campers each day in our morning announcements, two awesome counselors take over! Meet Elyse Blueglass, the head counselor of Barnard and Matt Bertino, the head of the senior camp and Joe and Rita's assistant during the off season. Combined, they are the driving force behind our daily morning announcements. Every morning, Elyse thinks up hilarious competitions between the Nabby staff to set the tone for the day. They can be educational (spelling bee on school pride day), athletic (limbo contest), funny (various food eating challenges) or just plain entertaining (lip sync competition each Wednesday). Her enthusiasm and energy always spreads throughout the camper and counselor audience and the sounds of laughter can be heard around the neighborhood. One neighbor actually told us that he can't wait for camp to begin because of all the "happy sounds" that come from here!

In addition to his extensive hat collection, his ever present smile and his ability to create excitement for the weekly Epic Wednesday events, Matt is initiating something new to his morning announcements this year. The "Spanish Word for the Day" started this past week, with simple, everyday words being introduced to the campers. This week, the campers learned the Spanish words for ball, pool, hot and friends and were encouraged to use them during the day's activities.

Morning announcements are always a great fun way to start our camp day here at Nabby...don't you wish your job greeted you like this everyday???

BOYS ARE VICTORIOUS IN THE HOLLYROCK GAMES!

The Hollyrock Games returned to Nabby this week and the boys were the victors over the girls in both the junior and senior camp shows. Everyone had a blast answering trivia questions, hula hooping, playing Simon Sez and even participating in a dance off!!! Who knew Nabby had such amazing dancers? After answering the tie breaking question in an extremely tight senior camp show, boys captain Jake McCarthy was asked about their victory. He said that after the boy campers lost to the girls in a tug of war (!), they had to redeem themselves and show they could at least outsmart them in the trivia questions.

NABBY WACKY SNACKY

Wacky Snacky Wednesday was another hit this week as campers were served porpoises (bananas) in a sea of bubbles (grapes and blueberries)!

NABBY TENNIS

With the campers viewing Wimbledon tennis matches on our large screen TV during lunch period all week, we wonder if there's a future tennis star in our midst? "Maybe", according to head tennis counselor, Dave Graham. Dave helped introduce the USTA 10 and under tennis program at Nabby 5 years ago which enables younger players to play the game with size appropriate racquets, courts and balls. By using the correct equipment for their age, the younger campers develop proper techniques and habits which allow their game to progress faster. Campers who originally started in this program are now in the senior camp and are filling up the tennis interest periods each and every week. Dave and his assistants, Jake and Alec, are excited to see the popularity of tennis at Nabby since it really is a "sport for a lifetime".

Hollyrock Parents night was once again a hit with our Nabby families! We think some of the Dads practiced push-ups with their children on their backs for this years show. They were very impressive!
