

## DADDY DODGEBALL - JULY 25<sup>TH</sup>!!!

### CALLING ALL DADS!!!

Daddy Dodgeball is coming to Nabby on Tuesday, July 25th at 7PM! So Dads, get your throwing arm ready and your dodging skills updated as this night is all about you! Dodgeball is one of Nabby's most popular games and each year our Daddy Dodgeball takes it to the next level! Played in our covered senior basketball court, our Nabby dads get to enjoy the camp experience, meet other dads and have a really fun night!

### ARTS AND CRAFTS

The Nabby Art Shack is a colorful, creative and busy place on campus! Headed by Haley O'Connell and assisted by Angela, Tara, Violet and Avery, the Arts and Crafts department is always a beehive of activity. From Pirate Day under water paintings to Tie Dye Day dyed T shirts, the Art Shack finds projects to coordinate with various Nabby events. Some crafts coming up for the Jr. Camp include clay pinch pots and sculptures. The Sr. Camp interest periods will also include future clay projects with the making of coil pots.

And parents...for your gardens, the senior interest periods will also be creating exciting stepping stones! And if you see your campers creating box and spiral stitches, it's a result of Lanyard Friday. Every Friday morning, the Art staff is outside handing out lanyard materials to campers lining up at their door!

We love it when our campers grow up at Nabby and stay with us as assistant counselors and then become head counselors! Our head counselor for Arts and Crafts, Haley O'Connell is just one example! So proud to have Haley as part of our Nabby family!

### DINOSAURS ROCK!!!

Our junior campers had an eye opening morning at Dinosaurs Rock! Each year, the Dinosaurs Rock program is a huge (pun intended!) success for our younger campers. Not only do they learn about these prehistoric creatures, they actually see the their bones! And those teeth!!!

## NABBY SPIRIT WEEK!

Nabby Spirit Week groups were judged by our Arts and Crafts counselors and announced this week at our morning announcements. And the winners are...

BEST PLAQUE: (TIE) SMITH!

BEST PLAQUE: (TIE) DUKE!

BEST CHEER - RADCLIFFE!

BEST BANNER - WILLIAMS!

BEST OVERALL - BRYN MAWR!

## COLOR WARS

The third Epic Wednesday Color War event, Predator and Prey, took place this week. Always a Nabby favorite, this year's contest was no exception. Mitch, the head counselor from Duke, was this year's Hawk. All senior campers were divided into red and white insects, frogs and snakes and had to collect food coupons from 16 campus locations without being "eaten" (tagged) by the Hawk or another creature above them in the food chain. Despite the heat, the campers had a great afternoon playing the game, running through the sprinkler, and eating watermelon at the end!

The winner of this year's event was the white insect team #1, led by Marisa, head counselor of Radcliffe. The win gave the white team 1,000 points, and to the red team's 500 points.

The red team is still in the lead for the summer with 2,770 points to the white team's 2,595 points. The white team is narrowing the gap and this year's Color War is going to be very close!!!

**RED TEAM 2,770 points**

**WHITE TEAM 2,595 points**

## MEET NABBY'S LITs

Nabby's LIT program is designed for teens too old to be campers and yet too young, by Dept. of Health standards, to be a counselor-in-training (CIT). Our new leaders-in-training (LIT) program combines camper activities with hands on situational training and experience. It is our hope that our LIT participants will learn what it takes to become a full time CIT and future member of our staff. Mentored by Morgan Blueglass and Sam Stern (who is also our Jr. Camp Program Director), the LITs meet daily to go over program activities and discuss ideas and suggestions to better the process of becoming a future Nabby head counselor. We know these hardworking teens will one day be terrific counselors here at Nabby!

## 8 YEARS LATER

What a difference 8 years make! Radcliffe head counselor, Marisa, Music asst. counselor, Gianna, and Aerial Adventure asst. counselor, Alec, recreate their 2009 Predator and Prey photo!

Marisa, Gianna and Alec have grown up here at Nabby. All three were once campers before becoming counselors. We especially love the fact that Marisa still owns the same shirt she wore in the 2009 photo!!!

## NABBY LIP SYNC

Round 2 of Nabby's Counselor Lip Sync Contest took place this week with two terrific performances. Sofia and Gianna from Music donned black hoodies and lip synced to "Baby" by Justin Bieber and Nico from Williams rocked out and danced to "Forget You" by Celo Green. Once again the audience vote was close, but Nico won this round and will move on in the competition.

**\*\*\* As a side note, Nico isn't known just for his lip sync ability! He stars as Sonny in the Yorktown Stage production of "GREASE" from July 29th - August 6th.**

Tickets can be purchased on their website, [yorktownstage.org](http://yorktownstage.org). Let's have our Nabby family support our talented Nico!!!

# NABBY'S 5 AND 10 YEAR CAMPERS!!!

Nabby celebrated it's 5 and 10 year campers last week at morning announcements. All 5 year campers received a Nabby shirt, and 10 year campers received a shirt plus a photo to hang on our dining room's Wall of Fame!

Also celebrated were 5 year counselors who received a "going the extra mile" T shirt! We love to see our campers and counselors returning year after year...they're truly a part of our Nabby family!
