NABBY LIP SYNC

Another round in the Nabby counselor lip sync contest was held this week and once again, there were two standout performances. Trevor, from Brown, danced his way through "Party in the USA" by Miley Cyrus and Emma, from Aerial Adventure, had the crowd clapping rhythmically to "We Will ROCK You" by Queen. Emma sealed the victory with a little help from her ROCK wall counselors at the end! Hmmm...we wonder what ROCK song Emma will produce in the next round???

OUR SPORTS SPECIALIST - NICK!

Kaboodle, Never Ending Tag, Mission Impossible, Steal the Bacon...Movies? Books? TV Shows? Nope! They're all games that our sports specialist, Nick Camachio, teaches our junior campers! Nick is hard at work each day thinking of new and exciting games that our campers really enjoy! Thanks Nick!

WESTERN DAY!

COLOR WARS

This week's Epic Wednesday Color War event was The Great Chase Race! The senior camp red and white teams raced from one station to another earning points by performing various tasks. The campers had to complete trivia quizzes, break dance, shoot baskets, build watermelon towers, hit wiffle balls, score soccer goals, flip water bottles and run various relay races - all while completing a lanyard and searching for hidden objects! The White #1 team made up of Penn and Barnard campers, and led by Mitch from Duke and Samantha from Barnard, finished in first place, earning 365 points. Their eagle eye ability to find hidden duckies, rubber chickens and plush "angry birds" propelled them to victory! Two teams tied for second place, red #1 (Penn and Barnard), and white #2 (Jackson and Columbia). After all points were added, the white team earned 865 points to the red team's 290 points. For the first time this summer, the white team is in the lead! They have 3,460 points to the red team's 3,060. The next Color War event will be a two day marathon during the last week of camp and will determine the winner of the prestigious COLOR WAR TROPHY!!!

RED TEAM 3,060 points

WHITE TEAM 3,460 points

AERIAL ADVENTURE!

If you like climbing up rock walls and trees, zipping on a zip line or just simply navigating wooden bridges and rope ladders, then Aerial Adventure is for you! Led by Ron Prainito and Erin Appelle, our rock wall crew consists of Meryl, Emma, Alec, Paul and Eric. Greeted by their smiling faces and guided by their expertise, our Nabby campers love reaching the top of the rock wall and getting a trophy for their effort! And, not only do our campers zip line, but they also get to make a basket at the end! Aerial Adventure is one of the most exciting and popular Nabby activities!

12 POOL RECORDS BROKEN!

Nabby swim team members, under the leadership of Foster West and Sara Wolf, had an outstanding swim meet against Floridan Day Camp this week. In the Nabby victory, 12 pool records were broken - some of which were absolutely smashed!!! Record breakers included Ella and Xander Sohng, Emma Feig, Luke Trombetta, Alejandro Ronquillo, Maggie Joyce, Jason Manse and Daniel Sugrue. Maggie, Ella, Luke and Jason each broke 2 records - one in their freestyle event and another in the backstroke. Congratulations to all campers who participated - job well done!!!
