

WEEK #7...CARNIVAL AND BELLY FLOP CONTEST!!!

LUAU TUESDAY!

"Aloha" to our brother and sister duos who really got into the Hawaiian spirit last Tuesday!

JUNIOR OLYMPICS!

The Junior Olympics concluded this past Tuesday. The third-graders of Bates, Bryn Mawr, Dartmouth and Williams were divided into Red and White teams and competed for 4 days in soccer, kickball, Gaga and dodgeball. The red team grabbed an early lead in the first few days, but the white team fought their way back. The score was very close going into the final event - a giant game of Capture the Flag. The teams split the first six rounds... It all came down to the seventh and final round with the championship at stake.

The White team stole the flag and captured the Junior Olympic title!

Counselor BELLY FLOP CONTEST!

LIP SYNC CONTEST CONTINUES!!

The last qualifying round of the counselor Lip Sync Contest took place on Monday with Billy from Swim going against Alex from Yale. Billy rocked the stage with "Call Me Maybe", while Alex gave a dramatic presentation of "Let It Go". Wigs aside (!), the guys were incredible and Alex just edged out Billy for the last place in the semi finals to be held next Monday morning.

APACHE RELAY!! GREEN TEAM REPEATS!

Wednesday afternoon was filled with anticipation and excitement as the Sr. Camp Apache Relay was moments away! Special Apache T-shirts were being "redesigned", faces were being painted and counselors were getting in their last minute stretches before the biggest afternoon of the summer.

The captains of each team (Red, White, Blue and Green) were high 5'd and cheered as they ran out onto the starting field and demonstrated their unique handshake/chest bump routine! The Red team started out strong, as they were the first to find and unwrap their baton and run to their first event. Events included horseshoes, tennis, newcomb, swimming, ping pong, "carpentry", tether ball, gymnastics, soccer, baseball and basketball, among others. After all the sporting events were completed, the teams gathered around the fire making area to witness the final and definitely hardest event. The Green team was the first to enter and start building their fire which, judging from past Relays, does not ever guarantee a first place finish! But, the Green team buckled down, got their fire high enough to burn the 18 inch high rope, and finished the Relay in style...beating out the second place Blue team by only 22 seconds!

Kudos to the Green team captains, Mitch from Duke and Rebecca from Douglass, running judge Andrew from Duke and camper runner and baton holder, Logan from Penn!

Green team celebrates their hard fought victory!

Green team Captains Rebecca and Mitch, running judge Andrew, and camper runner Logan with the Apache Trophy!

Blue team Captains Stefan and Elyse, running judge John, and camper runner Grace.

Red team Captains Angelo and Marisa, running judge Olivia and camper runner Christina.

White team Captains Garrett and Rikki, running judge Gabby, camper runner Natalia.

The Arts and Crafts department make sure the batons for the Apache Relay are wrapped, signed, sealed and delivered!

SKIDMORE

Skidmore is having the best summer at Camp Nabby! There are so many activities they love at camp, where do we even begin?! In music, they are practicing for the end of the year show where they will be singing and dancing to the song "White Horse." The girls were also chosen to be in the finale dance to "Can't Stop The Feeling" in front of the whole camp! They are really excited about this!

In gymnastics, they love to show off their back handsprings, cartwheels and handstands. During spirit week, Summer Lovin' Skidmore won best overall group for their amazing plaque, banner and song. If all of that wasn't impressive enough, they are all able to swim in the big pool and know how to dive! The girls are making such strides at camp, all the while having a blast. They never want this summer to end!

Skidmore is led by head counselor Julia Levy, assistant counselors Rebecca Churchill and Hannah Deutsch and CIT Katie Vogel. They always make sure the campers are safe and having a great time. The Skidmore girls think their counselors are the very best!!!

BROWN

This summer, Brown is filled with boys going into the 2nd grade and have active counselors help to make their activities so much fun! Dan DeBeer is the head counselor and, when not at camp, loves to go biking, play golf and watch sports. During the other ten months, he is a special education teacher at Ardsley Middle School. RJ Lyman is one of the two assistant counselors. He is going into his junior year at Oneonta State where he majors in math and plays on the baseball team as an outfielder and pitcher. Assistant Myles Goldblatt is starting his senior year at Hendrick Hudson High School and has been at Nabby for 11 years! Connor Lampersberger is the CIT and is starting his junior year at Yorktown High School where he plays soccer, basketball and lacrosse.

Some of the sports the Brown boys love to play are baseball, hockey and basketball on the junior courts (since the basket isn't so high!). Some camp activities the campers enjoy here that they don't play at school are dodgeball, GaGa, going on the Pillow Jumper and Aerial Adventure... especially the ZipLine! Towards the end of their Nabby summer, the boys are looking forward to the Belly Flop Contest, watching Color War and the counselor show!

BRYN MAWR

The Bryn Mawr group has had an incredible six weeks at Camp Nabby, but is sad that the summer is quickly coming to an end! The girls have accomplished a lot this summer and are all officially able to swim in the new, big pool! The campers all share a passion for Taylor Swift and love jamming out and dancing to her hits in their bunk. Besides singing and dancing together some of their favorite camp activities include Gaga, Aerial Adventure and kickball. Not a day goes by without the girls begging to play some Gaga! It's a good thing Nabby has two Gaga pits!

The head counselor of the Bryn Mawr group, Mary Medure, is a senior at Bucknell University and is double majoring in education and psychology. This summer Mary ran in her first half marathon! Assisting Mary is Abby Hentel, a junior at Briarcliff high school, where she plays tennis and lacrosse. Although only able to be here for the first five weeks of camp, Julia Hersh was another assistant who loved being here with the girls!

Mary and Abby are both very active and love participating in the activities with their campers. The girls of Bryn Mawr enjoy working together and cannot wait for their performance of "Little Red Wagon" in the Junior Camp Musical.
