RECORDS FALL IN SWIM MEET!

FIVE Nabby pool records were broken on Thursday by three different campers! In a Nabby victory over Camp Floridan, Noah Falbaum broke the boys 10 year old division 25 meter records for both freestyle and backstroke! His freestyle time was 16.21 seconds and his backstroke time was 17.81 seconds.

In the 9 year old boys division, Ryan Costabile swam the 25 meter freestyle in a record 17.96 seconds!

Adrienne Galler was another of Nabby's multiple winners. She broke the 11 year old girls 25 meter backstroke record in the time of 19.73 seconds, then broke it AGAIN swimming in the 12 and under division with a time of 18.45 seconds. Way to go Nabby swimmers!!!! And kudos to Cory and the pool staff for a great swim meet!

Colgate boys Jake, Ben and Ezra think their Tuesday BBQ was "the best BBQ ever" and "the best in the whole world!" They're giving a big thumbs up to Fernando for his expertise in hotdog grilling!

SELECTED STAFF BIOS:

This will be **Marisa Bertone's** 16th year at Camp Nabby! She started her years here as a camper in the Bates group and has worked her way up to being a head counselor. This is her 6th year with the Radcliffe group and she is currently their much loved head counselor. Marisa attended SUNY Cortland and graduated in 2011 with a degree in Childhood Education. She currently works at Brookside Elementary School in Ossining. For fun Marisa enjoys spending time with her friends and family, working out, acting silly while singing/laughing really loud with her assistants Becca and Frolo, and watching Kyle and Joe take long walks on the beach. Marisa couldn't imagine not being at Camp Nabby every summer. She loves being a big kid!

On Wednesday, the Jr Camp loved the Dinosaurs Rock program!

COLOR WAR NEWS!

Color War resumed this week with the 2013 action game of Predator and Prey!!! The Red team prevailed with a score of 110 points to the White team's 60 points. Earlier that day, in the counselor competition at morning announcements, Marisa earned 100 Red points and Kyle garnered 100 White points in the balloon and paper cup challenge. Kyle's amazing 4 second time will be a long standing Nabby record!!! As it stands halfway thru camp...drumroll please.....

RED TEAM 2160 points. WHITE TEAM 2110 points.

The Rainbow **RADCLIFFE** girls have had an awesome first 4 weeks of camp! They love playing dodgeball, soccer, and their new found love for the awesome game Gaga. One of their favorite things to do is to beat the Duke boys in a game of kickball or Tennis Racket Baseball. The girls have been working really hard on perfecting their tennis skills and swimming strokes. They are a bunch of all stars in every sport! Rainbow Radcliffe loves laughing and being goofy with the best counselors at camp: Marisa, Becca, and Frolo! The Radcliffe girls and their counselors feel like one big happy family together. They can't wait to see the exciting games and events to come the second half of the summer! Nabby Rocks!

Hillary Wohl has been a group head for the **CUBS** for the past three summers. She loves working with the preschool campers! During the school year, she is a Head Teacher for the Two's and an Enrichment Teacher leading her class in many creative and exciting projects. She is also a Mom to three Nabby campers!

The Cubs are off to a wonderful summer! They love all activities - especially water park and swim. They are also great singers and showed off their voices in one of the best Spirit Week performances last week! The Cubs participate in all Nabby activities as well as extra Cub "Fun Days". This week they dressed up for Super Hero day and were thrilled to actually meet their own Superheroes! Next week, they look forward to "Halloween in July" - always a treat! Uh...excuse the pun :) Future fun days will include Pajama Day (adorable!!!) and Winter Wonderland in August!

Raised in Yonkers and now living in Montrose-Stanford Head Counselor **Ken McGee** came from a long line of circus performers. His parents were shocked when he turned his back on the family business to attend the College of the Holy Cross and then eventually become the Head Teacher in the Pre-K class at Riverdale Country School. Ken is a fantasy football, fantasy baseball, and canine enthusiast. He and his wife have 4 dogs! This is Ken's first summer at Nabby and just like Ken's time at home with his family, he's loving every minute of it.

The **STANFORD** Supermen are an integral part of the success of the day to day operations at Nabby. Without them, who else would save the world on a daily basis? When they aren't rescuing billions of people, Stanford enjoys doing the following activities in their down time: dodging balls, doing courses that are challenging, aquatic activities, going gaga for GaGa and being awesome in general. We hope you've enjoyed catching a glimpse of what the Stanford Supermen are all about-keeping it fun while keeping it safe...the world, that is.

Lisa Zarkower has been the head counselor for the **YALE** group for eight years. Her campers are always five years old, but she just gets younger every year! She has two sons, Brendan, 18 who is sadly experiencing his first summer away from Nabby in ten years. Her son Alec is 13 and is a very loud camper in the Penn group. During the off season Lisa is a substitute teacher in the Lakeland school district and a part time jewelry designer.

This year's Yale group is very diverse in its likes and strengths. Some boys go crazy for dodgeball, and, of course some just can't wait to get to the pool. We're happy to say that we have 100% participation in all of our activities and all of our campers are making huge strides while having the BEST summer ever here at Nabby!
