**AERIAL ADVENTURES!**

We are having a great summer at Aerial Adventure. Campers can test their skills on the rock wall or the lower obstacle course. They can also cruise down the zip line to shoot a basket or play in the tree house. This year we have added a tree climb where climbers can scale up to 35 feet! The Aerial Adventure staff, Meryl, Juliana, Emma, Nick, Shane, Ron and Erin, all enjoy watching the campers set new goals and reach them!

**TULANE NEWS!**

The first half of camp has flown by for the boys of Tulane! Even though we've had some extremely hot days, the boys have managed to stay positive and enthusiastic about every game they play. Each day, the boys improve at tennis and get great satisfaction in beating their counselors, Zack and Jake, in three point competitions in basketball! The best part of the summer has been watching the sportsmanship the kids have shown one another in everything that they do. We are all looking forward to an even better second half of camp (if that's possible!) and are excited to continue to learn new games and make new friends.

## SPirit WEEK AWARD WINNERS

The Arts & Craft staff had a tough time picking out the Spirit Week winners this year! But, after much deliberation, here they are:

- **Most Artistic Banner & Plaque - Smith**
- **Most Intricate Banner Banner & Plaque - Brown**
- **Awesome Group Involvement for Banner - Stanford & Columbia**
- **Best Use of Glitter - Wells**
- **Best Song/Cheer Performance - Radcliffe**

## ALOHA FROM NABBY!

Tuesday was Luau Day and flowers, hula dancers and hula hoops were everywhere on campus!

## BATES NEWS!

Counselors Morgan, Michaela and Mary Kate report on the Bates group...

The Bates girls came up with the name “Battling Bates” since we are battling our goals this summer! We had so much fun coming up with our “All About the Bates” song and dance for spirit week! With this hot summer, one of our favorite games is duck duck splash and swimming in the pool.

The Bates girls’ favorite activities are gaga, dodgeball, nature, and of course playing on the imagination playground. This summer is exciting because we get to choose different interest periods each week!

They have loved getting the chance to learn archery this year and next week, we’re looking forward to the Junior Camp Olympics! We had fun learning how to dribble and pass during basketball this summer. We also love going to Aerial adventure to climb the rock wall and ride the zip line.

## WACKY SNACKY WEDNESDAY

Something very fishy was going on in the Nabby kitchen this week! Wacky Snacky Wednesday was swimming with “porpoises” in grape bubbles. The campers loved this healthy and adorable snack!

## PREDATOR AND PREY!

This Wednesday's EPIC event was the very popular Predator and Prey! The Red and White frog, snake and insect teams battled to a very close and exciting finish with the White snakes besting the White frogs by a narrow 70 to 60 victory. Halfway through the summer color war, the Red team now leads the White team 2300 to 2200!

Steph Frolo gets ready for her second year as the "Hawk".

Second place White frog team, led by Zack from Tulane.

First place White snake team, led by Marisa from Radcliffe.

## CUBS NEWS!

One of the Cubs favorite activities is instructional swim, where they are learning to float, kick and put their faces in the water to blow bubbles. They also love free swim, especially when the swim instructors join in and play with them! The Cubs really love "Going on a Bear Hunt" in music and they always want to sing the song twice. They are all very outgoing in Nature and have all touched or held the variety of animals at Nabby. The Cubs always look forward to Art & Crafts and can't wait to bring their projects home to show their family members.

The Cubs had a great time having Halloween in the summer last week and wondered "why are we trick or treating in the light?". They were the envy of the entire camp - they looked so cute in their costumes! During Spirit Week the Cubs enjoyed being on stage and singing their song "We are Cubs at Camp Nabby, Camp Nabby, We are Cubs at Camp Nabby and we have lots of fun!" They are now practicing their song for the musical. Counselors Jocelyn, Tina, Emily and Richie are looking forward to the second half of the summer with the adorable Cubs!

## WELLS NEWS!

The Whippin Wells have been having a great summer so far! With head counselor Eliza and assistants Sarah and Christina, there's always loud singing and lots of dancing. We loved performing and getting the "glitter award" during spirit week and you can still catch us doing our cheer from day to day. The girls have been having a great time learning how to bump, set, and spike for volleyball; while also getting so good at soccer that they are starting to train for the next U.S. Women's soccer team tryouts! Each girl has made her very own Wishing Well where they write down and collect their favorite part of everyday! We are looking forward to many more weeks of spud, freeze dance, and eventually our amazing performance as the cutest Britney Spears protégés in the camp show!

Eliza Ginsberg of Wells as a Nabby camper in 2001 and a Nabby Head Counselor now! Oh, and the snake is the same snake in both photos!
