

**WEEK FIVE...PLUNDERING PIRATES AND ROOTIN' TOOTIN' COWBOYS
AND COWGIRLS OVERTAKE NABBY!****PARENTS VISITING WEEK**

Monday, Tuesday and Wednesday, August 3 thru August 5th are Parents Visiting Days at Nabby. These days are for parents who either missed the first visiting week or for parents whose children started camp in the second half of the summer. Parents are asked to choose ONE morning for their family's visit between 9:30 AM and 12 Noon. Because parking is limited in the front of camp, parents are encouraged to park in one of our two back parking lots (take a right at the fork). If you choose to park in the front of camp, please be considerate of our neighbors and do not block their driveways. Cars must park on the RIGHT side of the road only. Yorktown Police will ticket cars parked on the left (Tamarac is a two way street). Dress comfortably and enjoy your visit!

ATTENTION ZUMBA DANCERS!

Our own Rikki Saperstein will be conducting a family Zumba class next Thursday, August 6th at 6:30 PM here at Nabby. If you love fun and funky dance moves done to rhythmic music, this is your night! Be prepared to sweat or "glisten", depending on your level. Movements will be designed for the beginner to the advanced Zumba workout enthusiast. Campers may attend with their parents, if they are participants in the class. We will have no child care available, so make sure your children are prepared to workout with you. Hope to see you there!

GYMNASTICS!

Under the "Gymnastics Tent", Nabby campers are having a blast and challenging themselves with all kinds of gymnastics skills with counselors Kimm, Natalie and Paige. The Cubs are quite the little "Gymnasts" performing forward rolls as well as completing some real challenging obstacle courses. The Junior Campers have been working so hard to achieve their goals. They are working on handstands, cartwheels, back bends and back handsprings. We are so proud of their hard work! During interest periods, the hard work continues as Senior Campers are busy working on a variety of gymnastics skills, ranging from splits to back flips. We combine teaching gymnastics with fun team building activities in an effort to create a wonderful camp experience. We love watching the campers perform new skills, gain self confidence and the best is just seeing them smile.

COLUMBIA NEWS!

This summer in Columbia, the boys have become masters in tennis. According to tennis instructors Dave, Joe, Margot and Kennan, “they have grown tremendously”. They also have had some super bowl like football games, with three OT games in the last five days. The Columbia Cows and their counselors Matt and Andrew cannot wait for the Apache relays, as they are ready to prove they will make an immediate impact despite being the youngest group in the senior camp. Watch out Nabby, the cows are ready to play!

COLBY NEWS!

We are the Colby girls! We love to go on the zip line at aerial adventure and jump on the pillow jumper with our counselors, Amanda, Fiona and Jennifer. We are so excited for Carnival and the belly flop contest!!! Some of our favorite games to play with our counselors are duck duck splash and dodgeball. We think it's so much fun to get them out in dodgeball!!!! We also love doing the statue dance with Randy on the lower field. Whether we are hanging out eating our ice cream or playing with snakes at nature we always have fun together!

DADDY DODGEBALL!

We had an energetic group of Dads show up for Tuesday's Daddy Dodgeball. They had such a fun time that maybe Nabby should consider a new group to join our collegiate ranks...maybe a Masters or PhD group???

WACKY SNACKY WEDNESDAY

There's a new sheriff in town with a badge made of cheddar cheese??? The kitchen's Wacky Snacky Wednesday had the Wild West theme in mind with a twist on the traditional cheese and cracker offering! Nabby Campers love their snacks... especially on Wednesdays!

STANFORD NEWS!

Singin' Stingin' Stanford has had an awesome first half of camp here at Nabby! The boys took Spirit Week by storm with our own rendition of "Uptown Funk" with the lyrics adjusted a little to show our spirit and love for Camp Nabby. We rocked it so well that our group won an award for "Best Group Involvement"! The boys really enjoyed it and it showed.

When we weren't practicing our song, one of our favorite games to play has been Gaga. To those who hadn't played before, it became a quick favorite, and to those familiar with it, the love lives on.

We also have enjoyed spending time on the Junior Field with Randy. He has hooked us up with obstacle courses and physical challenges. On really hot days, the courses have included being sprayed with water to help cool the boys down and sponge relays to beat some of the summer heat.

The boys of Stanford really enjoyed Super Fun Day (especially the water slides), and were amazed by the Magic of Eric. They were still talking about the tricks and illusions the next day at camp.

We are all looking forward to our remaining weeks of camp. Whether here for the rest of the summer or just a few days more, we can't wait to hit the pools, go to Aerial Adventure, and get in some more Gaga.

Counselors Bryan, Oscar, Nate and CIT Spencer

BARNARD NEWS!

The girls of Barnard, also known as the "Barnard Buddies" have had a wonderful time so far as first year senior campers! Lacrosse, kickball and TRB (tennis racquet baseball) have rapidly become three of the girls' favorite games to play! Although the past few weeks have been brutally hot, the Barnard buddies are always smiling as they work on their tennis and swim skills. According to their counselors, Elyse and Gabby, they are quickly becoming "Olympic child athletes"! They all love to try new things and have become masters at conquering the tree at the challenge course. The girls of Barnard are looking forward to the next half of camp (especially their first ever Apache Relay!) and continuing to make new friends that they will have forever!

THE COUNSELORS HAD A GREAT TIME IN NABBY'S MIXED DOUBLES COMPETITION LAST WEEK!

WILD WEST DAY!

COLOR WAR!

Week Five of Color War's EPIC events was the Great Chase Race which had the Red and White teams running from challenge to challenge. Some of the tasks the groups had to perform to earn points were free throws in basketball, trivia quiz, zip line hoop shoot, hula hooping, break dancing, baseball derby and many others! The White team #2, led by counselors Steph Frolo and Matt O'Connell, came in first and helped lead the White team to an incredibly close 938 to 914 win! This, plus the morning bobbing for apples counselor event now has the Red team with a slim 3,264 to 3,238 lead over the White team.

PIRATE DAY!

The Nabby treasure chest was stolen by a band of dastardly pirates on last Friday's Pirate Day! But, sure enough, the good pirates prevailed and not only rescued the treasure, but also forced the paltry pack of plundering, poisonous pirates to "walk the plank, walk the plank!"
