PARENTS... Please note that there are three events on the Nabby calendar for **YOU!!!** At Parents Visiting Day each year, we overhear so many Moms and Dads (and Grandparents!) wishing you could come to camp and have as much fun as your children...so, we thought "why not?" These events range from Hollyrock Night (pitting Dads vs Moms in trivia questions, Simon Says, and various hilarious "athletic" events), Daddy Dodgeball (oh yeah...complete with T-shirts and an EMT on duty!) and Family Zumba Night for all ages and skill levels! All these events are great fun and last year were enjoyed by all who attended. We look forward to seeing you there!

Camp Nabby celebrated the Fourth of July last week with our Red, White and Blue Day. Some of our campers, as well as Rikki, our Special Events Head, went all out!

COLOR WAR!

Week Two of Senior Camp Color War was decided with a mega Capture the Flag event. The teams were very close at the start - the lead went back and forth between the Red and White teams. But then, the White team gained control of the game and never let up! The final score was WHITE 985 and RED 660. Earlier in the day, the RED team won the counselor cookie eating event for 100 points.

The grand total after two weeks is...drumroll please...
WHITE 1,985 RED 1,560

WACKY SNACKY WEDNESDAYS

Your kitchen crew (Gemma, Sue and Maria) is introducing Wacky Snacky Wednesday! Each day, they provide campers with healthy snacks...but, every Wednesday, their imagination will run on the wild side as they'll present nutritious, yet fun to look at snacks! The first Wacky Snacky Day featured a centerpiece of a banana porpoise with a beach ball (red grape) in its mouth, coming out of a cup of pineapples, grapes and raisins. We wonder what next Wednesday will bring???? Hmmm...one can only imagine!

ARTS AND CRAFTS

Meet Angela, Haley and Emma...the creative minds behind all the arts and crafts the Nabby campers bring home. This year, Head Counselor Angela has some fun and exciting projects for all ages. Look for the Pre K and Kindergarten groups to create pinch pots, Matisse collages, clay owls, bubble paintings and more! The 1st and 2nd graders will bring home mosaics, Pollack marble paintings, Giacometti plaster figures and wire jewelry to name a few. The 3rd graders will be excited to make football pillows, tie dye items and paper marbling with shaving cream! The 4th and 5th grade girls will be creating heart pillows and paper mâché insects, while the campers who choose art for their interest period will come home with mosaic plant stools and dreamcatchers, as well as other projects. It looks like another terrific summer in "The Art Shack"!
