

WEEK TWO REVIEW AND MORE FUN TO COME AT CAMP NABBY!
ATTENTION PARENTS!!!

Next Wednesday evening at 6:30PM, Camp Nabby will once again host the Hollyrock Games - Parents Edition! Always one of the most fun events at camp, the campers will enjoy the show earlier that same day. With lights, buzzers and frenzied music, the boy and girl campers are pitted against one another in age appropriate trivia questions and various hilarious physical challenges. We thought the kids enjoy this so much...why not get the parents in on the fun? Last year, the parents who attended had a fantastic time hula hooping, playing "Simon Says" and answering various trivia questions on current events, entertainment and history, to name a few categories. So parents...come over to Nabby next Wednesday at 6:30PM and have a blast!

P.S. You might want to brush up on Simon Says. Just saying.

Let the Hollyrock games begin!

TENNIS AT NABBY!

As the second week of Wimbledon goes on, so does the second week of tennis at Nabby! Each year finds the program growing in popularity. This year, Head Counselor Dave and returning assistant Joe are happy to welcome Margot and Kennan to the team. Not only have they added a high level of play, but also a genuine interest in helping the campers have fun and increase their tennis knowledge. The interest periods for Sr. Camp are always maxed out both in numbers and enthusiasm. And, the Jr. Camp 10 and under program continues to bring an outstanding participation in the game of tennis - a sport for a lifetime. As we watch the Wimbledon finals this weekend, Dave can't help but think we might one day be watching a Nabby camper raise the trophy!

COLOR WAR!

This weeks EPIC Wednesday event was Capture the Flag. The Red and White Sr. Camp teams went full throttle to earn points for the summer long Color War trophy. The White team started out strong, only to see the Red team amp up their game and challenge them. The White team prevailed, however, and pulled out a 1200 to 1000 victory! The counselor cookie eating event that morning earned the White team 100 points (who knew Rebecca Sitzer had that talent?) and the Red team 50 points.

After two weeks of competition, the Red team leads the White team 2250 to 2000.

SMITH NEWS!

The girls of Smith are having an amazing summer! We love to go swimming and visit the splash and play. We are getting really good at turning the wheel to spill the bucket of water on our friends. We also love visiting arts and crafts. This week we created our very own butterflies out of coffee filters. We are looking forward to many more adventures at Camp Nabby this summer! Kate and Ashley, Assistants

HARVARD NEWS!

With 22 super energetic boys, Harvard is a force to be reckoned with this summer at Nabby. Dodgeball is by far our favorite activity. We have already had several group challenges with our buddies in Brown. Of course, swimming, wall-ball, art, and rock wall are wildly popular as well. The Harvard Heat are looking forward to next week's Spirit Week and Super Fun Day!

WE ARE DOWN RIGHT DOUGLASS!

Led by Head Counselor Rebecca and her assistant Christine, we are the girls of Douglass and are having a great start to our summer! Here at Camp Nabby we get the opportunity to play all of our favorite sports. Our most popular activities are soccer, tennis, dodgeball and, of course, we can't forget GaGa! As the summer continues we are looking forward to the various Wednesday EPIC events. The Apache Relay, Color War and Predator & Prey EPICs are definitely our favorites! Our group is very competitive so we enjoy all the different sports and events. Many girls in the group have been together over the years so we love being able to come back every summer to see how we've all grown and improved! Our favorite days are cookout and pizza Fridays. Yum!!! We can't wait to see what the rest of the summer has in store for us!

BROWN!

This summer, Brown is filled with boys going into 2nd grade. Some of the sports we love to play are baseball, hockey and basketball on the Jr. courts (we love the 8 ft. rims!). Some of our favorite camp activities that we don't play at school are Dodgeball, GaGa, the Pillow Jumper and Aerial Adventure, especially the ZipLine! We are looking forward to the Junior Camp Super Fun Day, watching our Dads play at Daddy Dodgeball night and, of course, the Counselor Belly Flop Contest! But our favorite thing about this summer at Camp Nabby is beating Harvard at Dodgeball!

Jessica Audette, of Radcliffe, brought in a delicious treat for her group this week. It was such a hit that we coerced the recipe out of her and here it is:

WACKY SNACKY WEDNESDAY

This weeks Wacky Snacky Wednesday offering was a healthy "ice cream cone". The ice cream, however, was replaced with yummy, refreshing green and red grapes. Some even had a dollop of whipped cream! Needless to say, they were a big hit with the campers!

Dark chocolate cups filled with vanilla cream

Vanilla Cream
2 Cups of chilled heavy whipping cream
4 Tbls of sugar
2 Tsp of vanilla extract
Mix together until creamy and fill dark chocolate cups (from A.C. Moore). Garnish with raspberries and blueberries and enjoy!
