

WEEK THREE REVIEW AND MORE FUN TO COME AT CAMP NABBY!
PARENTS VISITING WEEK!

The week of July 20th is parents visiting week at Nabby. Parents are asked to choose ONE morning for their family's visit between 9:30AM and Noon. Because parking is limited in the front of the camp, parents are encouraged to park in one of our two back parking lots (take a right at the fork). If you choose to park in the front of camp, please be considerate of our neighbors and do not block their driveways. Cars must park on the RIGHT side of the road only. Yorktown Police will ticket cars parked on the left (Tamarac is a TWO way street). Dress comfortably and enjoy your visit!

COMING EVENTS - WEEK OF JULY 20TH:

Monday thru Friday - Parents Visiting Week

Tuesday - Hawaiian Luau Day

Wednesday - Predator & Prey (Sr. Camp)

Wednesday - Dinosaurs Rock! (Jr. Camp)

Thursday - The Magic of Eric

Friday - Pirate Day ARRGGHH!

THE ART SHACK HAPPENINGS

This summer the Art Shack is full of exciting, messy and fun activities! We started the summer with paint, beaded projects and many Fourth of July themed crafts. Recently, we've been creating mosaics, sand paintings, football and peace sign pillows as well as decoupage banks and lanterns. We also learned about glass artist Dale Chihuly and have been busy creating chandeliers influenced by his style. We are looking forward to tie-dye week and unveiling our glorious stepping stones! There will be many more projects to come and we are all excited for what the rest of the summer will bring!!!

JR. CAMP SUPER FUN DAY AT NABBY!

HOLLYROCK GAMES!

Nabby hosted the Hollyrock Games this past Wednesday. Boy campers and counselors were pitted against girl campers and counselors in trivia questions, Simon Says, Hula Hooping, Tug-of-War and many other hilarious physical challenges. One of the favorite events was the dance competition with Penn Counselor Stefan showing some major dance moves!

In the Senior Camp show, the girls bested the boys 1200 to 1000 and in the Junior Camp show, the results were reversed with the boys scoring 900 points to the girls' 800 points.

After camp, the campers' parents took to the Hollyrock stage. We saw Moms doing jumping jacks, Dads doing push-ups, families competing in trivia questions and, of course, the ever so tricky Simon Says competition!

WACKY SNACKY WEDNESDAY

Edible insects??? You bet! This Wednesday's Wacky Snacks were these yummy goldfish filled butterflies. The boys of Tulane even sang "I Believe I Can Fly" as they enjoyed their snack!

CORNELL!

According to Head Counselor Beth and assistants April and Melissa, the “Cornell Cheerleaders” are SO enthusiastic - the name is very appropriate! The group’s favorite activities are aerial adventure, gymnastics, music, swimming and playing steal the bacon in basketball. They also love to get their counselors out in dodgeball! These girls are really learning their sports. We play soccer, lacrosse, baseball, basketball, kickball, hockey and volleyball. They always put their heart into every game and love to cheer on their friends! They also enjoy using their creative minds to freeze dance, do arts and crafts and the imagination playground is always a favorite! These girls are loving Nabby and enjoying everything there is to do here! We love their enthusiasm and their heart - clearly CORNELL ROCKS!

YALE!

This week Yale worked hard learning their cheer for spirit week! Many of the boys have conquered the rock wall and zip line already and some are looking forward to perhaps conquering the little pool this summer. We have pretty strong swimmers and the makings of a few future basketball and soccer stars. We have all made friends with Shonte the snake at Nature and we are happily honing our skills in Music and Art. All in all, Head Counselor Lisa, her assistants Mike & Joe and CIT Adin have a great bunch of boys and are having a blast.

DUKE!

Named by both head counselor Mitch and assistant counselor Justin, the Duke Disco Dancers are comprised of a great group of kids. They are all very competitive and good athletes with anything they play. All the boys excel in their abilities each and every day at camp. From tennis to gaga ball to dodgeball, they enjoy each moment. Several days a week, the group takes part in the Nabby World Cup for soccer where they are split into their red and white color war teams. Performing in Spirit Week and practicing the “Wee Skit” was all laughs for the boys of Duke. As we are only in the third week, we are definitely looking forward to many more enjoyable weeks at camp with many more activities and sports in which to take part.

RADCLIFFE!

The girls of Radiant Radcliffe are doing big things this summer! Led by head counselor Marisa and assistant counselor Catie, the wacky Radcliffe girls have become star athletes in tennis, swimming, and floor hockey. The girls are gaga obsessed and love to win by becoming one of the top 3 remaining players each game, to which we have deemed the titles Queen, Princess, and Duchess! Radcliffe loves dodgeball and challenges any boy group that passes by. The girls loved performing on stage for Spirit Week and hope to win the ‘best cheer’ award! Radcliffe is looking forward to Predator and Prey next week. We will be working on our running sprints so that we don’t get tagged by the hawk!!
