

**2020 CAMP DATES: MONDAY, JULY 13<sup>TH</sup> THROUGH THURSDAY, AUGUST 20<sup>TH</sup>**

## WELCOME TO NABBY!

We wanted to share the following helpful information to make your summer at Nabby the very best it can be. Please note our new COVID-19 protocols, following the recommendations of the American Camp Association (ACA), Environmental Health & Engineering, Centers for Disease Control (CDC) and the NY State Health Department. While our operations may look slightly different this summer, we are confident we can deliver a memorable camp experience for your child and are so excited for the start of camp!

### HEALTH FORMS

Our health forms are available on the Parent Dashboard on [campnabby.com](http://campnabby.com).

Updated to include COVID-19 guidelines, it is imperative we receive all completed health information prior to the start of camp. These forms will require immunization information and a pre-camp screening for each camper. Please have the completed pre-camp screening sheet uploaded to your child's file online or bring a copy with you on the first day of camp.

### DAILY HEALTH SCREENING

We will implement health screening and temperature checks for all staff and visitors (vendors) each day at camp. We ask for your assistance in doing the same with your children each day before they leave for Nabby. If they present a fever above 100.4 degrees, please keep them home.

Morning drop off will include a health screening and temperature check before the child is allowed out of the car. When parents arrive at drop-off, Nabby staff will use a 'touch-free' thermometer to record the temperature of each child (as per DOH regulations) and a parent will need to initial the recording. Temperatures must be lower than 100.4 to enter camp. We ask for your patience as this may take some time the first few days. We encourage a staggered drop-off time between 8:45-9:15 am.

*We also ask that anyone (staff, children) who are feeling sick, to please stay home and not come to camp.*

### PHYSICAL DISTANCING

We are fortunate to have 17 beautiful acres of camp grounds to explore that will allow our campers to enjoy almost all activities outside and have the space to do so. Within each mini-group, physical distancing will not be required, but throughout camp buildings (bathrooms, dining rooms, camp office) and larger activities outside each mini-group, physical distancing of 6 feet will be maintained.

### SANITIZATION & HAND WASHING

We take great pride in the cleanliness of our facilities and will implement additional precautions this summer. Nabby will use all CDC and Department of Health recommended sanitation products and will clean all equipment, frequently touched and shared surfaces throughout the day

Per CDC Guidelines, we will have campers and staff wash hands throughout the day, upon arrivals, before and after meals, after using the restroom and after activities. Camp will feature additional hand wash facilities and will have hand sanitizer stations located throughout the property.

### FACE MASKS & FACE COVERINGS

Camp staff will be wearing face masks/coverings throughout the day when social distancing is not possible, except for in the pool. Campers will not have to wear their face masks/coverings unless indoors in close quarters. With almost all of our activities outdoors, we don't expect your children to be wearing face coverings for any significant part of the day. Please have your children bring their own clearly labeled face masks/coverings to camp everyday.

## GROUP SIZING & INTERACTIONS

Based on NY State regulations, group sizes will be limited to 10 campers. Each group will have their own bunk and dedicated counselor(s). These are the groups that children and staff will spend the majority of their day with. And just like your own family members, no distancing will be required. These smaller groups will be mini-units within a larger group.

## CAMP BACKPACKS, TOWELS & T-SHIRTS

Parents are invited to pick up a Nabby Backpack, towel and t-shirt for their campers. We will be ready for curbside pick up of bags and shirts the week of July 6-11, between 9:00-11:00 am and 1:00-3:00 pm. Call ahead and we can have your Nabby items ready and delivered to your car!

## WHAT TO BRING EACH DAY

(A reminder to be sure to clearly label all personal items)

- Two Bathing Suits
- Two Towels
- A bag lunch (Monday-Wednesday) in disposable paper bag with name on it (no lunch boxes). Lunches will be kept cold in a refrigerator.
- A face mask/covering (labeled)
- Sunscreen to be kept in the bunk (labeled)
- Water bottle (clearly labeled)
- Optional: Pool Shoes, Goggles

## WHAT TO WEAR

Comfortable, athletic clothing is strongly encouraged, including shorts and t-shirts (all clearly labeled with your child's name). Sneakers are also strongly recommended (no sandals/thongs/crocs). On cooler, rainy days, feel free to include a rain jacket or sweatshirt in your child's bag

## SPORTS EQUIPMENT

- Senior Campers will need tennis racquets and a baseball glove.
- Junior Campers can bring baseball gloves if they have one, or we can provide

## ACTIVITIES

We have almost all outdoor facilities and with our mini-groups, we expect all camp activities to run as planned. We will however, not be able to open our Arcade or Imagination Playground due to shared surfaces.

Within the pool for free swim, we will have "lanes" dedicated for our mini-groups and instruction swim will take place in small groups with dedicated instructors in and outside the pool, as in previous years.

## LUNCH & SNACK

Lunch protocols will eliminate self serving and any shared foods. Daily snacks are provided by camp and include seasonal fruit, cheese & crackers and plenty of water!

Nabby provides two hot meals each week: Barbeque on Thursday and Pizza on Friday. Nabby BBQ's feature all beef hamburgers (fresh from Hemlock Hills Farm), or veggie burgers, Kosher all beef hot dogs or turkey dogs (based on request).

Pizza lunch every Friday features traditional pies from two local Pizzerias. All food will be served in individual portions with no sharing.

Campers should plan to bring their own bag lunches Monday through Wednesday. Each lunch bag will be refrigerated in each camper's bunk upon arrival at camp.

Milk and water are provided for every lunch. Microwave use will be limited to staff who may assist campers, so please pack lunches accordingly. Personal water bottles are encouraged (please be sure to put your campers name on it!).

## FOOD ALLERGIES

Camp Nabby does not serve peanut products. Our staff is made aware of all peanut allergies and will keep children with allergies away from children with peanut products in their personal lunches. Parents serving peanut or tree nut products are asked to clearly label bags with "**PEANUT**" or "**NUTS**" and those children will be required to wash their hands after eating.
