WEEK 2 JULY 5TH - JULY 8TH

WACKY, SPIRITED AND EPIC!

MEET OUR HEALTH DIRECTORS - TIFFANY AND FRANK!

This summer we are fortunate to have two Health professionals who share time during the week and manage camper care at Nabby.

During the school year, Frank Murphy works as the nurse at Putnam Valley Elementary School. When not at Nabby or Putnam Valley, Frank also works in the Emergency Room at Northern Westchester Hospital and has worked previously as a Health & Fitness Trainer. In his first year at Nabby, Frank says he loves being able to see and help children from the community, year round. Frank and his wife have a baby daughter who no doubt will be a happy Nabby camper in the coming years!

Tiffany Barrett works at Phelps and Greenwich Hospitals and has been a substitute nurse at Nabby for the past 5 summers. Her two young daughters are both campers and have grown up enjoying their summers at Nabby.

"Nabby is magical!" says Tiffany. "I enjoy the children and their smiles and in particular when we can bring the smiles back to their faces if they are not feeling well".

Tiffany and Frank like to always remind our campers to stay hydrated and wash their hands throughout the camp day. They both bring wonderful enthusiasm and specialized care to our Health Office and we thank them for taking such good care of our Nabby family!

JESTER JIM JUGGLES... NABBY CAMPERS GIGGLE!

Thursday brought back the return of Jester Jim for his seventh visit to Nabby. Always a popular entertainer, Jester Jim had the campers laughing at his hilarious mouth noises and juggling antics throughout the afternoon. The most exciting news of the day was that he'll be returning for the last day of camp (August 18th) for another show with even more juggling tricks! What a terrific way to end our summer!

SEEN AROUND CAMP....

Our campers were charmed to meet and learn more about "Monty the Snake" in Nature

Arts & Crafts projects included creative sock puppets, beautiful works in clay and line drawing inspired by the artist Paul Klee. Our campers have impressed us with their artistic talents!

Great work by our cooking class standouts who created the most popular Smoothies as voted by their fellow campers! Campers were challenged to create tasty smoothies using a variety of ingredients ranging from coconut & pineapple to bananas/blueberries/strawberries and spinach. A taste test determined our winners! Yummmmmmm

FROM WACKY SOCKS TO SCHOOL SPIRIT!

It's always fun when our Nabby community dresses up together! We started the week with an amazing display of the wackiest socks and ended it by showing our spirit on School Pride Day!

WEEK 2 EPIC EVENT... CAPTURE THE FLAG!

The Sr Camp, wearing their red and white pinneys, were ready to partake in the second EPIC event of the summer last Wednesday - Capture the Flag!

After the younger Sr Camp groups took the field, the white team, captained by Luke from Penn, Christina from Radcliffe and Jack from Duke, was in the lead. However, the older groups from the red team, captained by Samantha from Jackson, Eric from Tulane and Allie from Radcliffe, surged back to score a win in the closest score in Nabby history - 870 to 860!

Red team Captain Eric credited the awesome play of their three legged teams in securing the win for their team.

NABBY COUNSELORS “ACE” THEIR FIRST TENNIS COMPETITION!

Nabby counselors came out in force to participate in our first Tennis night of the summer. 17 mixed doubles teams showed their skills on the court last Wednesday night after camp.

Sydnee from Swim and Satchel from Dartmouth were winners of the “Best Outfit” award. We’re sure the fashion competition will ratchet up at the next tennis outing later this summer!

Winners of the round robin mixed doubles competition were Jack from Tennis (hey..can you say “ringer”?) and Riley from Barnard.

After the mixed doubles, the counselors played a rousing game of Around the World and the prizes were awarded to Jack from tennis (runner-up) and Luke from Penn (winner).

COUNSELOR LIP SYNC CONTEST BEGINS ON A HIGH NOTE!

Every summer our campers look forward to our counselor entertainment spectacle - the Lip Sync Contest!

Taylor Swift songs were on tap for the first round of the much anticipated contest. Both Julia from Swim and Andi from Colgate gave spirited performances that had the campers clapping and singing along to “Welcome to New York” (Andi) and “Love Story” (Julia). After each group voted for their favorite, Julia was announced the winner and will move on to the semifinals later in the summer!

The coveted Nabby Lip Sync Trophy!
